SUBJECT: ONE-STOP REGIONAL FORUMS

As required by the Department of Labor, the Workforce Investment Division's One-Stop Office is hosting three One-Stop Effective Practices Forums. You are invited to join with One-Stop staff from across the state to share information at these Effective Practices Forums. Forum topics that were selected by the State's One-Stop practitioners include:

- Partnership collaborations
- Marketing to the employer community
- Staff cross training
- Serving special needs populations
- Resources to enable staff to better serve customers
- And much more

You will also get up-to-date information about the Workforce Investment Act and the One-Stop Career Center System in California. Presenters will be California one-stop practitioners sharing what they are doing on the front lines. What works (or didn't) for their customers, what they are planning, and how they are meeting the needs of their customers.

To make it easy and affordable for all one-stop practitioners to attend, **there is no fee.** Participants will only be responsible for their lodging and any meals. Forums will be offered at three locations. All Forums will be from 8:30 a.m. to 4:30 p.m.
